

KALCI[®]
SOCCER

About Us

At Kalci Soccer, we believe in Performance, Quality, Functionality, and Affordability. With over 20 years of manufacturing experience in the sports apparel and soccer equipment industry, we are able to provide our customers with the highest quality products, latest fabric technology, and design functionality at a fraction of the cost. In addition, owning a local factory and multiple manufacturing units in South Asia; allows us to make custom products at competitive pricing. We have a team of designers based in Washington DC with well over 20 years of experience in the sports apparel and soccer equipment industry.

Owning our factory allows us to make custom uniforms within a matter of a few weeks. This means you don't have to order from a fixed catalog with set styles months in advance. Our made to order uniform kits come in multiple styles, color options, and gender cuts. Our soccer balls can be customized with custom logos, designs, and texts. We offer 3-4 weeks of turnaround time for our custom products.

Kalci Soccer was founded by the Kalci-Group in 2016. Kalci-Group is a manufacturer and exporter of Sports Apparel, Soccer Balls, and Soccer Goalkeeping Gloves based out of South Asia. Kalci-Group owns multiple manufacturing units in South Asia including China, Pakistan, and Bangladesh and have offices in USA, Spain, and England. Kalci-Group has been manufacturing sports apparel and soccer equipment for multiple renowned brands in the world since 1998.

A dark, monochromatic photograph of a soccer ball caught in a goal net. The ball is white with black hexagonal patterns and is positioned in the center-left of the frame. The net is made of white rope and is visible in the foreground and background. The background is blurred, showing what appears to be a stadium setting. The overall tone is dark and moody.

APPAREL

NOTE: All measurements refer to the body size, not the garment dimensions.

HOW TO MEASURE FOR A PERFECT FIT

- **CHEST:** Measure around the fullest part of your chest, keeping the measuring tape horizontal under your armpits and around your shoulder blades.
- **WAIST:** Measure around the natural waist line (the narrowest part), keeping the measuring tape horizontal.

TIPS

- For best results, take measurements over undergarments.
- Hold tape firmly, not tightly.
- If measurements fall between sizes, go for the smaller size for a slim fit and the larger size for a relaxed fit.
